Mokena Residents Face Raise In Sewer Rates

A raise in sewer rates is slated for Mokena residents.

At the regular meeting of the village board last week the trustees voted to have the ordinance fixing water and sewer rates amended to provide for the higher rate.

The minutes state there will be no change in the water rates, that only the sewer rates will be effected.

For example the present rate for a 4,000 gallon user is \$9.20 for a two-month period. Of this amount \$1.70 is for use of the sewer. The new rate will be \$13.50, of which \$4.30 would be for sewer. Since the present rate of \$9.20 includes \$1.70 for sewer the total new sewer rate would be \$6, or \$3 a month, in the 4,000 gallon category.

For the resident who has a sewer connection but has his own well, the present sewer rate is \$5 for two months. Under the new rate

the price will be \$15. One industrial firm is already paying the new rate of \$25 a month.

The sewer rates are based on the number of gallons of water used per billing period. After the 4,000 gallon range the next 6,000 gallons will cost \$1.75 a thousand instead of the present \$1.25. The price per thousand gallons for the next 10,000 gallons or fraction thereof will be \$1.10 instead of 75 cents, and over 20,000 gallons it will be \$1 a thousand.

The service connection rates rise too. Practically all single family residences use a 3/4-inch line and that charge will be \$13.50 for two months. A 1-inch service line will be \$18; 1 1/2-inch, \$24; 2-inch, \$29; 2 1/2-inch, \$40; 3-inch, \$55; 3 1/2-inch \$100 and a 4-inch, \$150.

The motion to change the ordinance providing for an increase in sewer rates was made by Trustee George Bills and seconded by Trustee Anthony Dina. The vote in favor of the change was unanimous.

In making the motion Trustee Bills said the move was necessary because the sewer department was not paying its way. The water department was reported keeping pace with its costs.

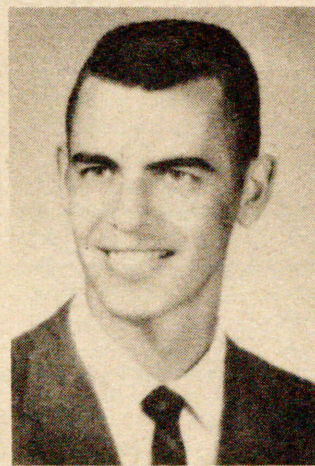

"A study of the figures show that on a per capita cost the sewer department is not paying its way, but is running in the red," Trustee Bills said, "and so we decided to make an adjustment so the sewers could pay their own way."

Last year the revenue from water and sewer rates totaled approximately \$41,000 and expenditures, including retirement of \$16,000 of revenue bonds, was about \$34,000, figures show, so the operational costs were

in the neighborhood of \$18,000.

Each year the village is required to put surplus from the water and sewer accounts into funds that will guarantee bond and interest payments and provide for improvements etc. There are 532 water and sewer users and 39 who take only sewer service, it was reported.

After the ordinance has been amended it will have to be adopted by the village board but it will not become effective until after it has been published.

THE REV. DELMAR INTVELD, on furlough from missionary service in Argentina, will be the guest speaker at Park View Baptist Church, Mokena, Sunday, May 12 at 7:00 p.m.

Will Build New Sidewalk

Arrangements have been made by the Mokena village board to have a sidewalk installed along Second St. in front of the Methodist Church and north on Union St. to the driveway between the church and the library.

It was pointed out that the sidewalk would be on property that is part of the Village Park.

Shapiro Urges Americans To Rededicate Selves

Some 1,100 Lincoln-Way High School students, and more than 200 youngsters from various public and parochial grade schools in the L-W District, greeted Lt. Gov. Samuel H. Shapiro at the annual Loyalty Day program conducted at the high school under the auspices of the Veterans of Foreign Wars posts at New Lenox and Mokena.

The lieutenant governor who will become governor of Illinois May 20 when Gov. Kerner resigns to take a seat on the federal bench, was the principal speaker on the program. The Lincoln-Way band and the Mixed Chorus played and sang several sections in keeping with the occasion.

A flag from the nation's capitol was accepted for the school by Supt. A. Hunter Chapman. The presentation was made by State Representative John Houlihan. A plaque for the school was presented by Harold L. Dailey, of Harry E. Anderson Post, VFW, New Lenox, Loyalty Day chairman, to Supt. Chapman.

Clarence Zugenbuehler, a past commander of William Martin Post, VFW, Mokena, represented that village. Zugenbuehler also is a member of the Mokena village board. Robert McMahn, of Dundee, a past district commander of the VFW, spoke briefly. The invocation was given by the Rev. Laslo L. Hunyady, pastor of St. John's Church, Mokena. The Colors were presented and retired by the Cardenelle, a group of girls from Joliet.

Each generation must combat those forces which try to destroy democracy, Shapiro told the students, and said that the progress of America is that of a people standing together to meet the challenges that confront the nation at home and abroad.

"Dissent is a vital force in a democratic society," he declared, "but dissent must not turn into dissension or the foundation of liberty is shaken."

"We have seen in our time dissent taking uncommon and un-American form. Very few men have suffered the villification as that of the President of the United States. Any

President, whether he be from Texas or Alaska, is an American first, last and always.

"We who are Americans first and the President's fellow citizens must remember we are Americans first, last and always," Shapiro emphasized, "and not just Democrats or Republicans, middle - of - the - roaders, leftists, rightists -- we must turn away from the radicals."

"We must not allow the American dream to become a nightmare. The young people of our country are its strength and its future. You have the responsibility now to carry the burdens of democracy, as they have been carried in the past for you, in the pursuit of the American dream. Grasp your responsibilities now."

The lieutenant governor enumerated the rights and duties of Americans. Among the rights, he said, are equal

protection under the law and equal justice in the courts; the freedom from arbitrary search and seizure or arrest; equal educational opportunities; free elections; owning property; freedom of speech, press and peaceful assembly; freedom of worship and the right to obtain counsel of his choice to defend his rights.

He also stressed the duties of citizens:

"Obey the law and respect the rights of others."

"Inform yourself of issues of government and community welfare."

"Vote in elections . . . accept jury duty when called."

"In time of war it is our duty to defend our country."

"It is our duty to assist all agencies in law enforcement."

"It is the duty to practice and teach the principles of good citizenship in your home."

"You cannot expect to keep your rights unless you perform the duties of citizenship which assures these rights."

"Today is a time to rededicate ourselves to the principle which has made America strong, the principle of law and order."

Governor Shapiro -- to give him the title that will be his a week from Sunday -- was given a standing ovation.

He is a man with long experience in public affairs. A resident of neighboring Kankakee, he served there as city attorney from 1933 to 1936 when he became state's attorney. In World War II he served in the navy and after completion of service was elected, in 1946, to the house of representatives at Springfield where he served 14 years. He left the house to become lieutenant governor in 1960, and beginning May 20 will become governor of Illinois. Next June 11 he will be formally nominated as the Democratic nominee for governor in the November election.

Jaycees Sponsor Jr. Golf Tourney

by Stan Henkle

Golfers, from ages 13-18, who attend Stagg, Sandburg, H.L. Richards, or Chicago Christian High Schools are eligible to compete in the first Palos-Worth Jaycee Junior Golf Tournament, June 17-18, at the Palos Country Club.

Sign-up sheets are posted in the locker room of each of the four high schools in the Palos-Worth area, chairman Stan Henkle announces.

The 36-hole tournament, open to boys who are at least 13 and will not be 18 before Sept. 1, will feature both a novice class and an advanced class. Trophies will be awarded to the winner and runner-up in each class.

The Palos-Worth Jaycees will send the winner and runner-up of the advanced class to the Illinois State Jaycee Tournament, in Springfield,

July 17-19. The four winners of that tourney are sent on to Tulsa, Oklahoma, to compete in the National Jaycee Junior Golf Tournament.

The Jaycee Junior Golf Tournament has the approval and cooperation of Ralph Krueger, general manager and golf professional of the Palos Country Club, and the four high school golf coaches. At the national level, the Jaycee junior champs in the past have included such golfing greats as Jack Nicklaus, Doug Sanders (this year's host professional at Tulsa), and Gene Littler.

Further information may be obtained by phoning Stan Henkle, tournament chairman, at GI 8-3566.

Honor Veteran Staffers Of Stagg And Sandburg

District 230's new assistant superintendent, Harold Mescher, met veteran staff members who received recognition pins at a tea held at Stagg High April 28.

Mescher is superintendent at Cairo, Ill. and is winding up his duties there. He will join District 230 full-time June 1.

He told a Cairo newspaper recently that "the future for myself is bright in my new job. It was a difficult decision to make, for Cairo has been my home for 27 years and the school system and I have grown up together."

The paper added: "The Orland Park district contains two of what are considered the finest schools in the state. . . Alonzo Stagg and Carl Sandburg."

The service awards have been planned for the past three years. Supt. W.O. Fisher told the staff members. The board wanted to present a "distinctive pin" to staffers with five, ten, fifteen, or twenty years in the district. Each fall a "15 year club" will add newly qualified honorees, he said.

Also attending the ceremonies were District 230's school board, officers of each school's parent organizations, and families and friends.

The 20-year awards went to Sandburg science teacher William Brown, whose service goes back to Orland Park high school, which preceded Sandburg's opening in 1954. Mrs. R.L. Bimm, the other 20-year award winner, was unable to attend because of a recent auto accident.

Qualified for 15-year awards were Hilda Geuter, retired Sandburg home economics teacher; transportation director Herman Duehr; Sandburg principal Dr. G. W. Davidson; and Sandburg physical education department chairman, Bill Adams.

Twenty-one staff members received 10-year awards: Supt. Fisher, Stagg principal Ray Bentz, Sandburg guidance director James Adcock, district industrial arts supervisor Don Brauer, Sandburg athletic director Joe Devine, Stagg athletic director Henry Meier; department chairmen Milton Potter, Ruth Bardwick, and Willard Coulter.

Five year awards: Roy Erdman, John Anderson, Wayne Chamberlain, Clifford Eade, Arlen Felchner, Robert Gadt, Samuel Green, Henry Havel, James Huff, Wm. Jacoby, Robert Juracka, James Keith, John Lehr, Howard Lundvall, and John E. Wilson.

Edward Yanish, Charles Zboray, John Homering, Fred Myers, Foster Myrick, Wm. Rauch, Harold Schultz, John Sobeske, Marcile White, William Borem, Joseph Kalata, Earl Reish, John Tanderak, Patricia Cote, Virginia Dudek, Phyllis Goll, and Kathleen Gump.

Almyra Havenhill, Donna Krauceliunas, Jean Leever, Anne O'Connor, Diane Veronda, Helen Lehr, Norine Marousek, Bernice Bettenhausen, Mary Bunce, Bernetha Speidel, Alice Szabo, Berenice Mathieu, Elsa Nero, Betty Leidigh, Wilma Dudek, Mildred Granger, and Irene Glen.

SANDBURG-STAGG HIGH SCHOOL staffers who gathered to receive ten year pin, Sunday, May 5, at the awards tea at Stagg High are front row: Ruth Bardwick, Ira Solper, Viola Powell, Willard Coulter, Marion Felsch, Nick Brancato, Rose Sautier, Wendell Henderson, Don Brauer, Rosemary Brown, and Joe Devine.

Back row: James Adcock, Frank Wing, Harold Phillips, Henry Meier, Don Steinhardt, Charles Moore, Ray Bentz, and Milton Potter.

Frankfort Park Vote Saturday

A special election is to be held Saturday on the proposal to establish a Frankfort park district.

The district would include the Village of Frankfort and the immediate area surrounding it but would not include Lincoln Estates.

The Frankfort village hall will serve as the polling place and the polls will be open from 6 a.m. to 6 p.m.

At the same time the voters ballot on establishing a park district they also will elect five park commissioners. There are but five candidates: Donald Stupp, Janet (Mrs. Raymond) Page, Dr. Merrill Otto, David Zechlin and Wilbur Hossbach.

Hickory Creek is the north boundary of the proposed district. It follows U.S. 30 west to Wolf Rd. and thence south to Laraway Rd. East of U.S. 45 the northern boundary is St. Francis Rd., approximately half a section wide. It holds this line south to a point about half a mile south of U.S. 30, thence east to half a mile east of Pfeiffer Rd. and then south for approximately half a mile

and then back to Pfeiffer Rd. south to Steger Rd., thence west about half a mile, north a half and then west to Cen-

ter Rd. where it joins the western portion of the district.

The election was ordered by the circuit court after a petition asking that the district be established had been found sufficient. The petitioners were represented by Albert Krusemark Jr. and August J. Santoro, who undertook the job as a public service.

Glen Ferguson Succumbs; Hold Services May 8

Glen Ferguson, 62, late of 157th & 115th Ave. Orland Park, died Sunday, May 5, at Chicago.

Mr. Ferguson was born June 23, 1905 at West Union, Ill.

He is survived by his wife, Mary; one daughter, Mrs. Wanda Nagel, and one son Charles; grandfather of six.

Removal was to the Schmaedeke Chapel, 10701 S. Harlem, Worth, where services were held Wednesday, May 8, at 1:00 p.m. with the Rev. Leon Leatherman of the Orland Park Methodist Church officiating.

Read Services May 6 For John Kalwith

John (Kalvaitis) Kalwith, late of Orland Park, died May 3, at St. Francis Hospital, Blue Island.

Born June 24, 1888 at Lithuania, he had lived in the area for the past five or six years.

Survivors include his wife, Della; father of Henry and Florence Enders, grandfather of five.

Removal was to the Schmaedeke Funeral Chapel, 143rd & Southwest Hwy., Orland Park, to St. Michael Auditorium Chapel, 143rd & Highland Ave. for a 10:00 a.m. mass, Monday, May 6.

Interment was in St. Casimir Cemetery.

Mokena Band Concert Set For May 15

On Wednesday evening, May 15, at 7:30 p.m. at the Willowcrest school, Mokena, the Mokena grade school advanced and cadet bands will present their spring concert under the direction of Perry Friedman. The admission is free.

The bands will play their contest material and selections from Lerner & Lowe's "Camelot," Mozart "Don Giovanni," "Fiddler on the Roof," by Harnick & Bock plus many more delightful numbers. The general public is invited.

HAROLD MESCHER, new assistant superintendent for School Dist. 230, greeted some veteran employees gathered at Stagg High Sunday, May 5, for an awards tea for those with five, ten and fifteen, or twenty years service.

Mescher will go to work here June 1, as soon as he completes his present duties as superintendent at Cairo, Ill. Seated at Mescher's right is Mrs. Bernice Mathieu, board of education secretary.

State Revenue Dept. Hikes Area Tax Bill

Tax bills, already late, may be considerably later.

It all depends on whether a suit is filed against the Illinois Department of Revenue because of the factor or multiplier it set for the county. The Will County Clerk would also be made a defendant in an effort to prevent that official from using the factor in establishing valuations.

The factor, 1.1364, would hike valuations 13 per cent. In the case of Frankfort and New Lenox townships where assessors declare they followed the instructions of the state revenue department and assessed property at 55 per cent of its fair cash value, the factor would bring valuations up to 68 per cent.

Albert H. Krusemark, attorney for the Frankfort Town Board, said that since most taxing bodies rarely realize the amount of taxes they seek it is their practice to levy up to the limit. With the increase in valuation brought about by the state's factor he believes that property owners can expect a tax increase of 20 to 25 per cent, and for the next four years, unless it is changed.

Supervisor George Tate of Frankfort, at the meeting of the county board last week, urged that all the supervisors join in the suit. It was

pointed out that a suit filed by the county would likely carry more weight than if it were a taxpayers action.

There are some townships where assessments are under the 55 per cent valuations -- some are said to be under 50 per cent. County Treasurer Clarence Lipman said that the joint efforts of the assessors have put an additional \$125-million on the books over the figure of four years ago but the state revenue department wants \$190-million more.

Supervisor John E. Francis, of New Lenox, said he was tired of the "little fellow carrying the load . . . those with the \$20,000 home or less who are paying on the full 55 per cent valuation."

Francis suggested a professional reappraisal of the entire county.

The employment of experts would cost considerable, \$700,000 to a million it was reported. The preparation of a suit would necessarily be a costly venture because there would be a lot of research by expert hands in this field and Attorney Krusemark pointed out that because of this Frankfort Township by itself lacked the money.

He said that if a suit is filed he has the assurance

that a judge would be called in from downstate so there would be no delay in hearing it. He believed that if court is taken it would not delay the collection of taxes more than 90 days -- and possibly a decision could be reached in 60.

The tax bills are not out yet and will not be in time to meet the regular June 1 deadline for the first installment on real estate taxes. August 1 is the new deadline for payment of the first installment on real estate and full payment of personal taxes. Second installment of real estate taxes is due Oct. 1.

The State Department of Revenue is frequently described as arrogant and arbitrary. It establishes a multiplier to raise valuations but refuses to explain how it arrives at its figure, Krusemark charged.

Tate has suggested that persons who pay their taxes do so under protest. Taxes paid under protest are kept in a separate fund and not distributed until the protests have been resolved.

Meanwhile municipalities, school districts and other taxing bodies are facing the prospect of issuing tax anticipation warrants to meet their obligations. No tax money will be available in June or July this year, according to all prospects.

Open Letter from the HIRSCHS'

Dear friends,

The amount paid to the funeral director for the service and merchandise he provides ranges from nothing to over \$1000, depending upon the wishes of the survivors and their ability to pay.

We respectfully ask the public to be mindful of the free or low cost funeral services supplied to indigents, as well as the infrequent expensive funeral which usually rates public attention.

Respectfully,

5 Sandburg Seniors Vie For Andrew Award

Five Carl Sandburg seniors have been picked as finalists for the \$3000 Aileen S. Andrew Foundation scholarship. The winner will be announced at Honors Night, May 14.

The students still in contention are Ann Paschall, Silvia Richardson, Therese Colburn, Gretchen Merwin, and Timothy Colburn. The runner-up will receive the PTA honorary award.

The five students' records, recommendations, test scores, and applications are to be pondered by a final committee made up of school board members Patrick Henry and Charles McBurney; PTA executives Mrs. Louise Schroeder and Mrs. Clyde Vasconcellos; Sandburg principal Dr. G. W. Davidson; guidance director James Adcock; and teachers Donald Steinhart and Mrs. Rosemary Brown.

The Aileen S. Andrew Foundation does not wish to participate in the selection of candidates, a letter of instruction said. Suggested guidelines are "In screening candidates for the award, we suggest you attach greatest weight to the scholastic record in high school, and to the potential capacity of the individual to utilize a university education for the ultimate benefit of society. The question of age, sex, race, religion, or field of interest should not be considered."

Each of the five is in the top ten per cent of the class of 1968 based on eleven quarters of high school work.

Ann Paschall, daughter of Mr. and Mrs. Eugene F. Paschall, Palos Heights, has been accepted at Knox College. She was a finalist in the National Merit Scholarship program and was also awarded an Illinois State

Scholarship and a Whitehall scholarship. Ann is a member of mathletes, Mu Alpha Theta, National Honor Society, dramatics club, thespians society, chorale, and takes music lessons.

Therese and Timothy Colburn are the daughter and son of Mr. and Mrs. Charles Colburn, Palos Park. Both were finalists in the National Merit program and winners of Illinois State Scholarships and Whitehall scholarships. Tim has been accepted at Illinois Institute of Technology and Therese at the University of Illinois. Therese has been in mathletes and Mu Alpha Theta.

Postal Exams

Walter S. Unzeitig, operations manager, South Suburban Postal Facility, 7401 South Cicero Av., announces that applications are being accepted for 100 career distribution clerk positions. The starting salary is now \$2.80 per hour with regular increases to \$3.82 per hour. Applicants must be at least 18 years of age, but there is no maximum age limit. The minimum age limit is waived for high school graduates.

The positions being filled are full time and of career nature, offering federal job security, on the job training, in-service merit promotions, low cost health and life insurance, sick leave with pay, 13 to 26 days paid vacation, and liberalized retirement.

Unzeitig said that a written Civil Service examination is required and that passing this examination could qualify a person for employment consideration at any post office in the state.

Tim has been in Mu Alpha Theta, mathletes, and the science club.

Gretchen Merwin, Orland Park, is going to attend Miami University in Oxford, Ohio, next fall. She's president of Mu Alpha Theta; is in thespians, National Honor Society, mathletes, guard, and YMCA youth and government. Gretchen was awarded an Illinois State scholarship.

Silvia Richardson, daughter of Mr. and Mrs. James Richardson, Orland Park, received a letter of commendation from the National Merit corporation. She will attend Northwestern University school of speech in the fall. Silvia was a member of Sandburg's varsity debate and speech teams; is active in the drama club, National Honor Society, and the school newspaper, the Aquila.

Mokena Board Organizes

Norval Robinson was re-elected president and Fremont Warning was re-elected secretary at the reorganization meeting of the Mokena School Board. Members seated were Willard Barenz and Edwin Yunker, both incumbents. They will serve three-year terms.

The board set the second Wednesday of each month at 7:30 PM as its regular meeting date at Carpenter Street School, and when an adjourned meeting is necessary for the month, it will be held on the fourth Thursday at 8:00 PM, also at Carpenter Street School. The meeting dates will be May 23, June 12 & 27, July 10 & 25, August 14 & 22, September 11 & 26, October 9 & 24, November 13, December 10, January 8 & 23, February 12 & 27, March 12 & 27, and April 9 & 24.

Oliver A. Kieslar was appointed treasurer of the school district for a term of 2-years starting July 1, 1968. The Mokena State Bank was designated as the

depository for school funds. For budget purposes, the fiscal year was established as July 1, 1968 to June 30, 1969. Superintendent Ennis was instructed to begin working on a tentative budget for the school year.

Mrs. Hans Mueller was appointed board clerk and Illinois Municipal Retirement Fund Agent for the 1968-69 school year.

At a previous meeting the board approved the calendar for the 1968-69 school year. School will begin on August 26 and close on June 10, 1969. Christmas vacation will be from December 23 to January 6, and Easter vacation - April 4 to April 14. The calendar calls for four teacher institutes, eight legal holidays, and 181 pupil attendance days.

Busy Days For Mokena Board

Purchase of the property along the south side of Front St. between Mokena St. and Wolf Rd.

Formation of a sanitary district embracing the greater Mokena area.

Negotiations for clearing title to the building occupied by the Mokena district library.

These three items were discussed in detail at the regular meeting of the Mokena village board. No final action has been taken, however. Officially each is still just a possibility.

The Mokena Chamber of Commerce is pushing the acquisition of the Front St. property now owned by the Rock Island Lines and Sheldon Hauck, of New Lenox. The railroad owns a strip 600 feet long and 50 feet wide that it is prepared to sell. It also is prepared to lease another strip of about the same length with a width of 40 feet. Hauck owns a strip 250 by 50 feet at the west end of the tract, which he purchased several years ago.

Hauck wants \$11,500 for his property, the Rock Island, \$19,000. The railroad would lease the strip adjacent to its right of way for \$120 a year.

The Chamber of Commerce is prepared to pay \$5,000 over to the village for a downpayment on the prop-

erty. The chamber of Commerce wants the village to buy the property for the simple reason that the railroad will only do business with the village.

Under a law adopted a couple of years ago by the Illinois legislature municipalities are allowed to make purchases on contract. Therefore, it was explained, the Village of Mokena could buy the property from the railroad and Hauck on the installment plan.

A committee headed by Trustee Anthony Dina recommended the purchase and the other trustees expressed themselves as favoring the purchase. But there are still some details to be worked out.

The Chamber of Commerce, according to its spokesman, informed the board it was prepared to develop the property. Plans call for the establishment of parking facilities, surfacing the lot and planting shrubs, flowers etc. Cost of development would run about \$50,000, according to David Krapp, the architect who is making the plans. Total cost then would be in the neighborhood of \$80,000.

The Chamber would raise the money for the development, its spokesman said, thru levies on business men and organizations.

A committee made up of Trustee Dina, James Cooper and Cadet Cottingham, the last two representing the Chamber, is to work out details and present them to the village board. The board appears ready to buy the deal, according to observers.

The board also is said to look favorably upon a plan to form a sanitary district for the area. It doesn't take much to start such a thing, it was explained, a petition with about 100 signatures, can get the thing in court and if the court finds the petitions good it can then order an election. Then if the people want another governing body that can levy taxes and is-

sue bonds it can approve establishment of such a district at a referendum.

There are a lot of legal "ifs" involved, it was said, but with a sanitary district sewers could be extended to outlying places. It has been suggested that such a district run from the New Lenox town line to U.S. 45 and from I-80 on the north to Hickory Creek on the south. Maybe, the bondholders willing, the village could sell its sewer system to the sanitary district. Maybe it could sell its water system too. The sanitary district, of course, would be limited as to the amount of bonds it could issue by its valuation. No one has come up with any figures yet as to what income such a district might have and how much it could spend. It is possible, it was pointed out, that if the district did not buy the Mokena sewers that Mokena residents would pay the tax levied by the sanitary district

and at the same time pay the village for the operation if its sewer system, as they do now.

Relative to the library -- the village offered to refund \$500 the library board paid the Mokena Lutheran Church for its old building in the Village Park which it abandoned when it moved into its new quarters, and pay the remaining \$1,000 due under the deal. The library board, however, feels it is morally responsible to pay this money and will do so. In turn the village is to give the library a lease to the premises and will pay some of the maintenance and operation costs. The village also expects to establish an office on the first floor, the library to remain in the basement. If the lease to the library is satisfactory the church is then prepared to give the village a quit claim deed, thus ending a long drawn out controversy.

New Handbook On Medicare Out Soon

Within the coming weeks, older people in Will County will be receiving a new copy of "Your Medicare Handbook," a new up-to-date guidebook on their Medicare benefits, how the program works, and how payments are made.

Larry Van Meter, social security district manager, said the new handbook highlights the changes enacted in the 1967 social security amendments, improving protection and simplifying Medicare procedures. It has also been made easier for older people to read and understand.

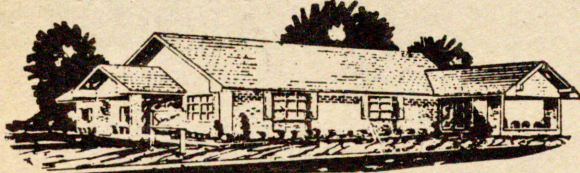

In developing the new edition of "Your Medicare Handbook," Van Meter said, the SSA sought the suggestions of elderly readers as well as experts in the field of communications and rep-

resentatives of professional organizations.

Delivery of the new red, white, and blue edition to the 19.6 million Americans 65 and over will be made over the next six weeks, Van Meter said.

In an introductory letter on the inside front cover of the new Handbook, Robert M. Ball, commissioner of Social Security, reminds older people: "If you need further information or want help concerning your Medicare protection or any other social security matters, please get in touch with your social security office. The people there are always glad to help you." Your social security office is located at 225 N. Chicago St., Joliet, Ill.

Assessor Suggests Legislation For Tax Trouble

EDITOR'S NOTE: Of general interest to Will County taxpayers who recently were given a 13 per cent hike in valuations by the State Department of Revenue with a corresponding boost in the amount of taxes each property owner will pay, is this statement of August J. Santoro, assessor for Frankfort Township. The statement, given in the form of a letter addressed to the Editor, follows:

"Being the assessor for Frankfort Township, I experienced mixed emotions in reading the two news articles in the May 2 issue of a daily newspaper concerning the threatened taxpayers suit being instituted on behalf of Frankfort Township and the article concerning the tax factor. Being the person who made the assessments for Frankfort Township, I realize better than anyone that the addition of a multiplier of 1.1364 to the assessed valuations will be grossly unfair to the residents of our community. I was delighted to read that our Township Supervisor, Mr. George Tate, is of the opinion that Frankfort Township is one of only four townships which have been assessed correctly. While I believe Mr. Tate and I have a great deal of personal respect for each other, we are of opposite political faiths and learning that he feels I have assessed our township correctly is a much appreciated compliment.

"Assessed valuations, particularly for residential property, are based upon fair market value (what a willing buyer would pay a willing seller.) The market values of homes will vary greatly between the spring, when a sellers' market exists, and the fall, when a buyers' market is prevalent. Therefore, although an assessed valuation may be 55% of market value today, it will not be 55% of a market value at a

later date. Assessors are advised that assessed valuations should be between 50% and 55% of market value, thus allowing for the fluctuation. I sincerely believe that this office has assessed real estate within Frankfort Township at between 50% and 55%. However, the addition of a 13% multiplier will result in an over-assessment of our real estate. This office further believes that Mr. Moroni was mistaken in his statement that farm lands in Frankfort Township are already assessed at 57%. Our assessment for farm lands is not that high. Mr. Tate and Mr. (Albert) Krusemark are to be congratulated on the steps they are taking so that the residents of our township, and possibly other townships, may be protected from the hardships they will suffer as a result of the imposition of the multiplier. Nevertheless, the blame for this situation arising should not be placed on the County Treasurer's office or the Will County Board of Review. Altho they have the authority to apply township multipliers so that assessments between townships within the County will be equalized, anyone familiar with the operations of the Treasurer's office and the Board of Review realizes that it is a physical impossibility for such work to be done because of the time element involved. During a quadrennial year, every parcel of real estate within a township is supposed to be re-assessed. In our township, the physical job of measuring 3,000 homes, interviewing the owners to obtain an estimate of market value, examining the homes for condition so that depreciation can be computed, computing the assessed-valuation, entering the same on property record cards and in the assessment books cannot possibly be performed in the time allotted for the

same. It should be remembered that in addition to real estate assessments, in a township the size of Frankfort the assessor is also responsible for assessing approximately 5,000 automobiles, household furniture for every resident and business inventory and equipment. He must also gather the answers to 34 different questions from approximately 100 farmers in preparing his farm statistic report and is responsible for the sale of dog license tags. In smaller townships, the time allotted for the work is often sufficient, but the small budgets allowed assessors becomes a handicap. As a result, this year, as in past years, all the assessors do not turn their real estate books into the County Treasurer's office at the time required. This year the Treasurer's office made all efforts possible in order to obtain the assessors' books on time; however, the Treasurer's office cannot make the assessments for the assessors and therefore was forced to wait until all the assessors' books were turned in before they and the Board of Review could perform their work necessary.

This is the problem. The same problem arose four years ago after the quadrennial assessments were made. Finding a solution to the problem is always more of a task than describing what the problem is and how it came about. The appointment of a supervisor of assessments would be the first

practical step in obtaining uniform assessments throughout the County. However, the application of township multipliers will still remain extremely difficult because of the time element. We wish to suggest that the County officials secure the assistance of the State Senator and State Representa-

tives so that legislation can introduced in Springfield which may resolve the problem. If the Treasurer's office and Board of Review could be given more time within which to study township assessments, the application of township multipliers could be accomplished. Until such action is per-

mitted, the making of uniform assessments within a county existing under the township form of government will remain a problem. As long as a problem as serious in nature as this exists, the survival of the township form of government will be in jeopardy."

McBurney Heads Dist. 230 Board

Two meetings of District 230's board of education were held April 22 as poll books and tally sheets from the April 13 school board election were canvassed and incumbents Harwood Stellwagen and John Daliege were declared official winners of re-election to terms of three years.
Immediately after adjournment, the second meeting, an organizational meeting, got underway. Charles McBurney was elected president of the board and the meeting night was again set for the second and fourth Monday nights of each month.
The vote canvass showed Stellwagen with 715 total votes, Daliege with 636, and Ernest A. Robinson with 440. Write-in votes went to Thomas Curtin, 43; and 23 miscellaneous names getting from one to seven.
The board agreed to rent space at Stagg High to Sacred Heart Church of Palos Hills for Sunday services.
The board took no action on whether the experimental flexible scheduling program should be continued at Sandburg. The consensus was that the board needs more information, perhaps thru first-hand visits with teachers and students, as well as long-range cost projections, before it can decide.
A combined meeting of several elementary school boards and the high school board was scheduled for May 7 at Palos East to discuss transportation problems.
Progress reports on salaries, the school calendar, the budget, and Sandburg's tennis court construction were given.

The Great Escape Sweepstakes.

Win a free self-cleaning electric range.

Escape oven-cleaning chores forever. 120 winners. Enter now.

120 happy homemakers will be the winners. Eight drawings will be held. Fifteen electric ranges with self-cleaning ovens will be given away free at each drawing.

To be a winner, you don't have to buy anything. Or even write an ode to a crusty oven. Just fill out a Great Escape Sweepstakes entry blank at your appliance dealer's. Deposit it there and you're in—to win.

And if you can't wait to win a self-cleaning range—buy one during April or May. Any winner who buys an electric range during the Sweepstakes will have her money refunded.

So if you can't be a winner, buy a winner.

Winners will receive ranges selected from the following brands: Frigidaire, General Electric, Hotpoint, Kelvinator, Kenmore, Philco, Signature, and Westinghouse.

GREAT ESCAPE SWEEPSTAKES is open, April 1 through May 31, 1968, to all residents of the area served directly by Commonwealth Edison. Entries must be made on official entry blanks available at participating dealers'. NO PURCHASE NECESSARY.

FREE WIRING INSTALLATION applies, for a limited time only, to a standard wiring installation for a new electric range in single-family dwellings served by Commonwealth Edison.

Only electric ranges have self-cleaning ovens.

The bright new ideas are Electric.

FLOWER ARRANGER, Shelia MacQueen of Hertfordshire, England, who has assisted with the flowers for such events as the wedding of Queen Elizabeth and the Coronation, will be the guest speaker at a luncheon meeting of the Sauk County Council of Garden Clubs on May 20.

The luncheon will be held at the Olympia Fields Country Club starting at 1:00 p.m. This will include delegates from eight area garden clubs including Mokena and Tinley Park.

Council members from this area are Mrs. Harold Beebe and Mrs. Herbert Nees.

Will County 4-H Fair

Will County 4-H Club leaders met recently to plan the 4-H County Show. The show to be held at Francis 4-H Field, New Lenox, will be July 23, 24, 25.

Tuesday's program will include county Dress Revue, rabbit, poultry, swine judging and the tractor contest. Wednesday, dairy and sheep judging as well as the judging of projects other than foods, clothing, livestock, tractor and auto will take place. The food demonstration contest will also be held

on this day. Thursday, beef and foods projects will be judged. The flower arrangement demonstration also will be held on this day.

Each day judging will begin at 9:00 a.m. Exhibits will be released at 3:30 p.m. Livestock judging is open to the public.

Present Awards To Volunteers At Annual Recognition Program

Awards for the many hours of service given by 150 area volunteers to the patients at Tinley Park Mental Health Center during the past year will have priority billing at the tenth annual Volunteer Recognition program of the Tinley Park mental health facility, Thursday evening, May 16.

Local volunteers who will be cited include Mrs. Glen Ariel, Mrs. John Panozzo, Mrs. Ray Studniarz, Mrs. Evald Erickson, Mrs. Robert Trump, Mrs. William Thompson and Mrs. John Lowney.

Others are Mrs. Francis Gallant, Mrs. Ernest Gungoll, Mrs. Tom Rodgers, Miss Diane Meyer and Miss

Barbara Shilney, all of Tinley Park; also Michael Majchrzak of Oak Forest.

Other volunteers to be honored include Rick Smith, Mrs. Grace Balaz, Jack Scott, Mrs. Ernest Margraf, Miss Candice Hayden, and Mrs. William Watkins, all of Mokena; Mr. and Mrs. Glenn Burkett and Mrs. Charles Nelson of Frankfort; Mark Curtis and Mrs. Thomas Brown of Orland Park.

Directors of the psychiatric programs in which the volunteers assisted will present the awards to the individual volunteers.

Lieutenant Governor Samuel H. Shapiro, who has

served as chairman of the board of Mental Health Commissioners and sponsored much mental health legislation, will be the principal speaker. He will be introduced by Superintendent John F. Lowney Jr., M.D.

The invocation will be given by Dr. Frank Rosenthal of Temple Anshe Sholem, Olympia Fields. Pastor Sheldon H. Kietz of Grace Lutheran Church, Hazel Crest, will give the benediction.

A reception for the vol-

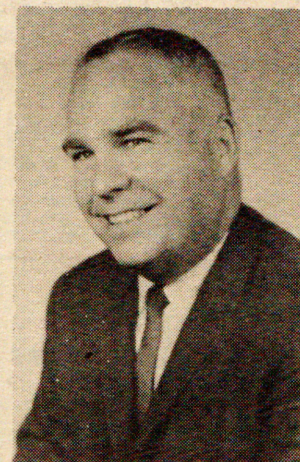

unteers in the Activities Building gymnasium will follow the recognition ceremonies.

A Mother Is Love

A mother can be almost any size or any age, but she won't admit to anything over thirty. A mother has soft hands and smells good. A mother likes new dresses, music, a clean house, her children's kisses, an automatic washer and Daddy.

A mother doesn't like having her children sick, muddy feet, temper tantrums, loud noise, or bad report cards. A mother can read a thermometer (much to the amazement of Daddy) and like magic, can kiss a hurt away. A mother can bake good cakes and pies but likes to see her children eat vegetables. A mother can stuff a fat baby into a snow suit in seconds and can kiss sad little faces and make them smile. A mother is underpaid, has long hours and gets very little rest. She worries too much about her children, but she says she doesn't mind it at all. And no matter how old her children are, she still likes to think of them as her little babies. She is the guardian angel of the family, the queen, the tender hand of love. A mother is the best friend anyone ever has. A mother is love.

PTO To Install New Officers On May 14

At its annual meeting last week the New Lenox PTO elected officers for the coming year.

The president is Mrs. Thomas Portrey. Mrs. George Fuchs is vice president; Mrs. Rolland Cagwin, secretary and Mrs. Wayne Town, treasurer. They will be installed at the meeting May 14. It is scheduled for 7:45 p.m. at Oakview School.

The program will feature Mrs. Phyllis Theobald, of Joliet, project director of the Head Start program.

Fourth grade pupils of Cherry Hill and Haines Schools will present several musical selections under the direction of Miss Jalyne Taylor. Fourth grade pupils of Haven School will present highlights of their sesqui-centennial program under the direction of May Seibert. Oakview students also will have a science exhibit. A hat of original design is to be the prize. Kindergarten mothers will be in charge of the social hour.

The New Lenox Grade School band, under the direction of Thomas Goodwin, played at the PTO's annual meeting.

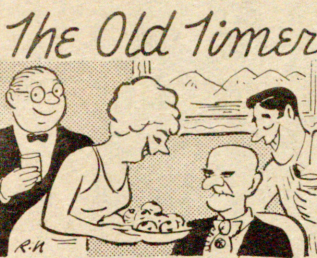

The New Lenox PTO has announced winners in the spring art show it sponsor-

ed at Oakview School.

Car Totals Hit New High For Illinois

The number of motor vehicles in Illinois has passed the 5-million mark for the first time in the history of the state, it was announced by Secretary of State Paul Powell.

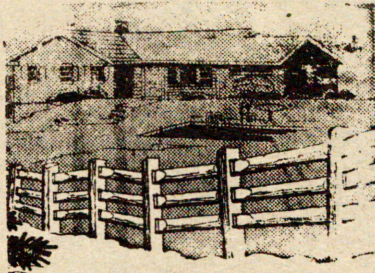

The number, Powell said, is actually 5,193,218. Passenger cars total 4,209,860; trucks and buses, 592,753; trailers and semi-trailers, 289,761 and 92,904 motorcycles and motor scooters.

More cars were sold last year than in 1966, despite the fact there were 184 fewer dealers in 1967.

Approximately 33 per cent of the motor vehicles in the state are registered in Chicago and Cook County.
